Directions to Team Mixing Technologies Inc.:

Our office is location 30 miles north of Bellingham WA, USA in Abbotsford BC, Canada and about 2 miles north of the Abbotsford International Airport.

Directions from Seattle: Take I-5 North. Exit at Bellingham Guide Meridian Exit #256A. Travel North on the Guide Meridian to the Canada-US Border. After crossing the border turn East on 8th Avenue. Travel East on 8th Avenue (also calling Huntingdon Road) until Echo Rd (about 5 miles). Turn North on Echo – Echo will turn left and force your travel North again on Peardonville Road. At the “Y” bear North (left) on Mt. Lehman Road. Team Mixing is located off Mt. Lehman Rd, on Great Northern Avenue. Team Mixing is the 5th building on the right – front office.

Directions from the West (Vancouver): Travel on the Trans Canada Highway, East towards Abbotsford. About 30 miles east of Vancouver take the Mt. Lehman exit, South. Travel South on Mt. Lehman Rd. and turn left of Great Northern Avenue (after the roundabout). Team Mixing is the 5th building on the right – front office.

Directions from the East (Abbotsford): Travel on the Trans Canada Highway, West. Take the 2nd Abbotsford Airport exit – Mt. Lehman exit, South. Travel South on Mt. Lehman and turn left on Great Northern Way (after the roundabout). Team Mixing is the 5th building on the right – front office.
